Generation No. 2

2. WILLIAM² CASH (*WILLIAM¹ CAISHE*) was born 1653 in Strathmiglo, Fife, Scotland, and died August 1703 in Westmoreland County, Virginia. He married ELIZABETH SKINNER 1699 in Scotland, daughter of JOHN SKINNER and ELIZABETH. She was born 1655 in Staffoed County, Virginia, and died March 09, 1749/50 in Staffoed County, Virginia.

Notes for WILLIAM CASH:

WILLIAM CASH, the progenitor of the southern branch of the CASH Family, first appears in the records of Westmoreland County, Virginia, 30 May 1694, on which date he was sworn as a grand juror. It is clear from the evidence, however, on this date he owned a large landed estate, therefore probably arrived in that place some years before. It is believed he came to Virginia from England ca 1680, and is therefore referred to by most CASH researchers as "The Emigrant". His date of birth is estimated as ca 1660. His plantation was situated in Washington Parish, Westmoreland County, but when King George County was formed from part of Westmoreland in 1720, approximately half of this land fell into each county. His first wife is unknown, however he probably first married ca 1688. His first wife probably died ca 1698 and he was then married ca 1699 to Elizabeth, believed to have been the daughter of his friend and neighbor John SKINNER, a Quaker. He died in Westmoreland County, Virginia between 16 February 1708, the date of his Will, and 25 August 1708, the date of probate.

A British tax record in 1677 lists William Cash as "seated" in Washington Parish, Westmoreland Co. Va. He left a will, written 16 February 1708/7, and recorded in Westmoreland Co, 25 August 1708, naming his children: William, Thomas, John, James, Howard, Joseph, Peter, and a daughter, Anise Cash. His wife, Elizabeth was named as executrix and guardian of his children, William, Thomas, Anish, until they became of age. Therefore it is believed all the other children were older than these three whose ages were given in the will. Peter Skinner was named as executor, and John Skinner a witness.

Also, it names the grandchildren: William Cash, son of John Cash, Thomas Cash, son of John Cash, James Rawlins, James Johnson, and Margaret Stone.

5. JOSEPH³ CASH (*WILLIAM², WILLIAM¹ CAISHE*) was born 1682 in Westmoreland County, Virginia, and died July 23, 1799 in Granville County, North Carolina. He married (1) SUSANNAH MASON 1727. She died 1749. He married (2) ELIZABETH BRYANT 1750. She was born 1730 in King George County, Virginia, and died Bef. 1784.

Notes for JOSEPH CASH:

Son of William and Elizabeth CASH, was born in Westmoreland County, Virginia, Washington Parish, ca 1706. He was married ca 1727 to Susannah MASON, daughter of George and Ann MASON of Prince William County, Virginia and Dunham Parish, Charles City, Maryland. He owned a plantation in Brunswick Parish, King George County until 1733, at which time he was deeded 150 acres on the lower side of Dogue Creek, Turo Parish, Prince William County, by George and Ann MASON "for the natural lives of Joseph CASH, Susannah, his wife, and Ann, their daughter." This part of Prince William County became part of Fairfax County in 1742, and its present location is directly alongside of old U.S. Highway 1 (Post Road) south of Alexandria near a village then called Occoquan. Over the years he purchased several hundred acres adjoining this property and by 1752 owned at least 959 acres. Susannah MASON CASH died ca 1749 and he was married ca 1750 to Elizabeth, believed to be a member of the CULVERHOUSE family. In 1772 he was commissioned to survey Dogue Creek Road, which indicates he had a knowledge of surveying. In 1774 he and most of his family, together with the Hall and CULVERHOUSE families, moved to Dutch District (later Dutchville), Granville County, North Carolina, where he, his son Joseph, Jr., and grandson, Joseph Cash HALL, were granted approximately 1000 acres along Picture Branch Creek. He died in Granville County between 23 July 1779, the date of his Will, and August 1780, the date of probate.

NOTE: It might appear to some that there should be two men names Joseph CASH, father and son, instead of only one, since if only one man sired all these children he would have been about 68 at the birth of his last child, Elizabeth. Despite this, the evidence is clear that there was only one. When George MASON deeded the land to Joseph CASH in 1733 he named as the wife Susannah and daughter Ann. In his Will of 1779, Joseph referred to Ann as "my daughter Ann HALL." When Joseph's land was surveyed in 1779, Joseph Cash HALL was named as chain carrier on the survey party and Joseph Cash HALL was also granted land on the same date as Joseph CASH, Sr. and Jr., indicating he was over 21 at that time. In every case, his signature on legal documents was Joseph Cash HALL, clearly establishing his relationship to Joseph CASH Sr. Ann Cash Hall named a daughter Susannah, establishing in all probability that her mother's name was Susannah and Joseph Cash HALL named his eldest daughter Ann, named probably for his mother, Ann Cash HALL. In the 1786 North Carolina State Census, Joseph Cash HALL is shown to have 5 sons and 3 daughters, further establishing his likely birth date as ca 1752. In their Revolutionary War Pension Applications, both Peter and James, the sons of Joseph Sr., gave as their place of birth Fairfax County, Virginia, and that they moved from there to Granville County, North Carolina in 1774, further supporting the evidence that the Joseph married to Susannah in Fairfax County, Va., and the Joseph married to Elizabeth in Granville County, North Carolina, were the same man.

PENSION CLAIM OF PETER CASH[Abstracted from Microfilm by Thelma F. Prince] National Archives, R17811

Dekalb Co. Ga. 5 Nov. 1832. Personally appeared before Justices of sd county, PETER CASH, a resident of DeKalb Co., age 73 yrs on 21 Feb. last, and sworn, doth on his oath make the following declaration in order to obtain the benefits of the Act of Congress passed 7 June 1832.

Deponent was on 4 tours during the Revolution in the militia of Virginia. Deponent chose the second division in order to accompany his older brother, JOHN CASH, and was drafted to the Barracks at Charlottesville, Albemarle Co. Va., serving 1 month under Capt. John Christian, Lt. Benjamin Toliver, Ensign (not recollected), & Kroger Shackelford, orderly Sgt. He was enrolled at age 18 in the month of Apr. in the first draft for barracks service. He served the second tour in the fall of the same year under Charles Christian, brother of his first captain. Part of the second tour his brother, JOHN CASH, served for him as a substitute, deponent being sick. Col. Taylor was the commander. No written discharges were given.

The Albemarle Co. and Amherst Co. militia had charge of the Barracks where were confined the prisoners of Burgoyne's defeated army who were afterwards removed to Winchester, Va. Again deponent served under the same division (they were counted as minutemen) under Samuel Higginbotham, Capt; Lt. James Ware, Joseph Staples, ensign; privates: James Gutland (nicknamed the Coon); HOWARD CASH, JOHN CASH, deponents brothers; John Giles, William Giles & Josiah Giles (3 brothers); William Venison; William Tyra; Dick McCary; and others.

Deponent served in the upper battalion of Amherst. This company marched through Albemarle, Fluvanna, and Goochland Counties to Richmond, Va. and took charge of the artillery. Capt. John Barnett's Co. from the lower battalion of Amherst accompanied Higginbotham to Richmond and from there marched to Petersburg. Higginbotham's company remained at Richmond until the end of the monthly tour and were discharged until called again into service under Capt. Pamplin, marched to Jamestown, having first joined the main army under Gen. Lawson at the Ground Squirrel Bridge, was in hearing of the firing at Battle of Jamestown and next night after the Battle marched by moonshine to the Battleground were fired upon & retreated past Hickory Mill Church where wounded men were receiving aid.

From thence to Mobbin Hill to Richmond to Newcastle upon Pamunkee River & there met Col. Samuel Cabell then lately exchanged from British confinement. Before they got to Jamestown the army prepared for Battle of Big Springs. McNeess the officer, an Ensign, another officer who commanded the section to which he and his brother, JOHN CASH, belonged, slipped off home to Amherst which gave the field on which the parade was, the name of McNeeses field. About this time Gen. Lawson from some misconduct was deprived of his sword and command given to Gen. Stevens. There was a suspicion against Lawson that he held back from the battle. He did lie by during the day and marched the whole night in confusion.

From Newcastle deponent was marched toward York. Certificate #16824 of pension issued ? day of Oct.(blank) and sent to A.G. Morris, McDonough,Ga. Arrears to 4 Sept.1833.

Semi-annual allowance ending ?_____ 1834=\$13.33. Total \$79.98. Rev. Claim, Act 7 June 1832. Rec. by _ Rice, Clk, Bk E, Vol. 6. p. 87.

Henry Co. Ga. On the - day of Nov. 1832 personally came JOHN CASH, a resident of Henry Co., 7th Dist., aged 75 yrs on 5th Apr. last, before the Justice of the Inferior Court, who being duly sworn, makes the following declaration in order to obtain the benefit of the Act of Congress passed 7 June 1832. He enlisted to go out on the Cherokee Expedition on Holston River about the long Islands. He enlisted for during the expedition and was in service for 3 months, from September until just before Christmas. He enlisted in Amherst Co. Va. by Capt. John Sayle, Lt. James Franklin, Ensign Jesse Allen, and he thinks William & Nicholas Jones were sergeants.

This company formed what was called a ranging or scouting party-there were no higher officers. A small skirmish took place at Fort Chissell. The Indian towns were destroyed and the country generally had been saved from the Indians by previous larger forces consequently the company returned home to Amherst Co. where this deponent was born and raised and lived for 6 yrs after the close of the Revolution, and then moved into Bedford Co. Va. in the vicinity of the Rev. James Turner, lived there 13 yrs, and moved to Elbert Co. Ga. from there to here.

He marched with the company by the Big Lick, Botecourt, Va., English Ferry on New River, Fort Chissell & thence in various directions through the country. During this last winter of 1832 his house was consumed by fire, consuming his discharge from Capt. Sayle and a copy of an oath he made to save the country as also required.

His brother, PETER CASH of DeKalb County is acquainted with the circumstances of his enlistment, absence and return & who was a witness to other services rendered, as he will testify. Also, BARTLY CASH, one of sd company living yet in Amherst Co. Va., HOWARD CASH of Habersham, Ga., JOSEPH BOND, residence unknown, WILLIAM TYRY, JOHN SMITH, JAMES WARE, Dec'd, EDMUND HODGES, DAVID BELLOO.

Deponent was on 3 tours in the Virginia Militia. The militia was divided into numbers of ten and they were permitted to choose their numbers or were drafted. Deponent and his brother PETER CASH (who was present when this statement was made) chose number two and went into the militia service at the Barracks near Charlottesville in Albemarle & served 1 month Under Capt. James Pamplin. Col. Taylor was in command of the Garrison. No written discharges were given.

Albemarle and Amherst counties had charge of the Barracks where were confined the prisoners of Burgoyne's defeated army who were afterwards removed to Winchester, Va. Again, deponent served in the second division, counted as minuteman, under Capt. Samuel Higginbotham, Lt. James Ware, Ensign Joseph Staples. This company marched through Albemarle, Fluvanna, & Goochland Counties to Richmond, Va. and took charge of the artillery. Capt. John Barnett's company marched with Higginbotham to Richmond from there to Petersburg.

His company remained at Richmond until the end of the monthly tour & were dismissed by company until called again into service under Capt. Pamplin, marched to Jamestown, having first joined the main army under Gen. Lawson at the Ground Squirrel Bridge, was in hearing of the firing at the Battle of Jamestown. Next night after the battle, we marched by moonshine to the Battleground, were fired upon & retreated past Hickory Mill Church where wounded persons were receiving aid, from thence to Mobbin Hill, from thence to Richmond to New Castle upon Pamunkee River & there met Capt. Samuel Cabell, then lately exchanged from British confinement. About this time, Gen. Lawson, for some misconduct, was deprived of his sword and the command was given to Gen. Stevens. From New Castle deponent was marched towards York. A relief from Amherst overtook them at the Prickly Pair old field where he was discharged with others on 14th Aug. immediately preceding the capture of Cornwallis in Oct.

Deponent received a written discharge which was burned up 4 Dec. 1831 when deponent lost nearly all his property. Deponent was on a trip after salt to Fredericksburg when an..... came for his decision to go to York, by which absence he missed being present at the taking of Cornwallis.

Deponent is known by the Rev. James Gamble, John Lamar, Doctors Jacob Stokes & Francis E. Morrison. He hereby relinquishes any claim whatsoever to a pension except the present and declares that his name is not on the pension roll of any state ... further that nothing but old age & necessity arising from infirmity of himself & a helpless female family induces him now to call upon the generosity of his country.

LUCY CASH, WIDOW OF JOHN CASH, PENSION CLAIM

Has a number, may be 9087? (unclear). Georgia. LUCY CASH, Dec'd, widow of JOHN, a Private in the Revolution. Inscribed on the roll at \$26.66/yr, to begin 4 Mar. 1843, and ending 23 Jan. 1848. Certificate of pension issued 22 Mar. 1852 and sent to ANDREW R. MOORE, Griffin, Ga. Acts of 3 Mar. 1843 & 17 June 1844. Rec. Bk A, Vol. 2,p.42. In order to obtain the benefit of the Act of Congress 7 July 1838 entitled Act granting half pay and pension to certain widows.

Pike Co. Ga. 15 Mar. 1845. Personally appears before a Justice of the Inferior Court of sd county, LUCY CASH, a resident of Pike Co. Ga., aged 84 yrs, who being duly sworn makes the following declaration. She is the widow of JOHN CASH who was a Private in the Revolutionary War, having in his life obtained a pension under the Act of 7 June 1832, his services set forth in his Declaration on file in the War Dept. she presumes.

She further says she believes from information received from ANDREW R. MOORE of Henry Co. Ga. that the pension certificate of John Cash was forwarded to the pension office at Savanna (sic) at or about the time of his last application for a pension which he received in the month of Feb. 1836 and died 13, Aug. next thereafter. She married John Cash, 23 Jan. 1782. She was born 3 Mar. 1760 and John, as well as she remembers, was born 26 Apr. the year she cannot recollect but understood he lacked from the 3 Mar. to the 26 Apr. of being 3 yrs older than herself. She declares that a Bible which contained the dates of her and John's birth and marriage was burned with their-dwelling house in Dec. 1831.

She was married, after publication of banns, at the house of Charles Rose by a traveling minister, believes there was no license produced or read in the ceremony. Her marriage took place in Amherst Co. & she believes there is no record of her marriage. She & John lived 7 yrs in Amherst Co., 13 yrs in Bedford Co., moved to Elbert Co. Ga. about the year 1802 and lived there until 1829, then moved to Henry Co. Ga. and lived there until 13 Aug. 1836 at which date John Cash died. She declares that she was not married to him prior to his leaving the service. But the marriage took place previous to 1 Jan. 1794 viz at the time stated above. She is unable to appear in Court by reason of infirmity.

s/Lucy Cash (her mark)

Dekalb Co. Ga. 18 Jan. 1848. Personally came before me, John Flowers, an acting J.P. for sd county, WILLIAM CASH, who being duly sworn saith that JOHN CASH late of Henry Co. Ga., deceased, who was a Revolutionary soldier was the brother of deponent and was about 4 yrs older than deponent & he deponent will be 85 yrs of age if he lives to see the 14th day of Feb. next.

Deponent's father and his family resided at the time of the Revolutionary War in Amherst Co. Va.

Deponent was not present when his brother John Cash deceased was married, but has the best of reasons to believe that he was lawfully married as he resided in the neighborhood at the time and heard he was married on a certain day and that there was an..... at his father's house on the next day & from that time until the day of his death he & his wife lived together as man and wife and raised a family of sons & daughters.

The reason why deponent was not at the wedding himself is that he was sick at the time and unable to go. The name of John Cash's wife prior to her marriage was LUCY CAMPBELL, and a short time after deponent heard of their marriage he went to his brother John's house & saw him & Lucy living together as husband and wife, and as to the date of marriage deponent thinkss that it took place previous to the year 1794 for following reasons. Deponent was married himself 1781 which was the summer before Lord Cornwallis was taken & his brother John was married in the winter after the surrender of Cornwallis to wit in the winter of 1782. He knows that John was married previous to the birth of deponent's oldest child, & by reference to the family record in which deponent registered the ages of his children he sees that his oldest child which was a daughter by the name of EFFEY was born on 3 May 1783.

living. STEPHEN CASH resided in Mississippi 2 yrs ago. In that time they have not heard from him and therefore do not know whether he is living or not. All of them are much over 21 yrs of age. The youngest, MARY CASH, is 50 yrs old.

Child of MICAJAH BICKNALL and PHEBY LANDRUM is:

- i. WILLIAM⁶ BICKNALL, b. 1787.

Notes for WILLIAM BICKNALL:

BECKNELL, WILLIAM (1787/88-1856). William Becknell, known as the "Father of the Santa Fe Trade," son of Micajah and Pheby (Landrum) Becknell, was born in Amherst County, Virginia, in 1787 or 1788. He married Jane Trusler there in 1807 and was living near St. Louis, Missouri, by 1810. He saw extensive service on the frontier during the War of 1812. He joined Daniel Morgan Boone's company of United States Mounted Rangers as first sergeant in May 1813. He was promoted to the rank of ensign in July 1814, shortly after Boone's nephew, James Callaway, assumed command of the company. Becknell participated in Maj. Zachary Taylor's campaign against British-backed Indians that culminated in the battle of Credit Island, at the site of present-day Davenport, Iowa, in September 1814. He commanded the defense of Fort Clemson, Missouri, when Captain Callaway was killed by Indians in March 1815.

Becknell moved to central Missouri after the war and engaged in ferrying, freighting, and the salt trade. By 1817, after the death of his first wife, he had married Mary Cribbs, a Methodist from Pennsylvania, and had moved to Franklin, Missouri. William and Mary had three children. Becknell was an unsuccessful candidate for the Missouri House of Representatives in 1820. Motivated by financial problems, he organized a trading party that crossed the Great Plains to New Mexico in 1821. His party was welcomed to the previously forbidden province, and he returned to Franklin with encouraging profits. He took the first wagons across the trail in 1822 on his second journey to New Mexico, and led a party of trappers into Colorado on his third visit in 1824-25. He participated in the federal grading and marking project of the Santa Fe Trail in 1825 and 1826. He was appointed justice of the peace of Saline County, Missouri, in 1827, and was elected to the Missouri House of Representatives in 1828 and 1830 as a Jacksonian Democrat. He commanded a company of militia during the Black Hawk War.

In 1835 Becknell moved to Red River County, Texas. He mustered a company of mounted volunteers known as the Red River Blues in July 1836. The unit served along the Lavaca River until October. In that month Becknell reported to the capital of the Republic of Texas, believing that he had been elected to the House of Representatives, but relinquished his place when Collin McKinney arrived from Red River County with a greater number of votes. Becknell subsequently commanded Red River militia companies in 1838, 1841, and 1842. Though he entered regional folklore as the foolish farmer who traded 1,000 acres of fertile land for a supply of antifever pills, he amassed a sizable estate in land and livestock in Red River and Lamar counties. He also owned a bridge spanning the Sulphur River. He was appointed to supervise the Texas congressional elections of 1845, and the United States congressional elections of 1846. Becknell died on April 25, 1856, and was buried near Clarksville.

30. WILLIAM C⁷ RICHARDS (*RACHAEL⁶ BOND, EDITH EDE⁵ CASH, JOEL⁴, ROBERT HOWARD³, WILLIAM², WILLIAM¹ CAISHE*) was born 1816 in Elbert County, Georgia, and died May 1850 in Coweta County, Georgia. He married MARENA NICHOLS November 13, 1834 in Madison County, Georgia, daughter of JOHN NICHOLS and NANCY BARTON. She was born 1818 in Greenwood County, South Carolina.

Notes for MARENA NICHOLS:

Marena Nichols may have been the first child of John Nichols and Nancy Barton. According to available information, it states that she was born in Greenwood County, South Carolina, about 1818. If this date is accurate, her father would have been about twenty-three at the time of her birth. He was born in 1795. Marena was married two times. Her first husband was William C. Richards. He was born during 1816, the son of Rueben Richards and Rachael Bond. They migrated to Elbert County, Georgia before the birth of William. Rachael Bond Richards died at the age of thirty-four in Elbert County.

At least five children were born to the union of William Richards and Marena Nichols.

Their last known child, Martha, is believed to have been born during 1846 in Madison County, Georgia.

Marena is believed to have been the first born. She was born during September 1836 in Clarke County, Georgia. William died during May of 1850 in Coweta County, Georgia.

Marena married again on April 13, 1852, in Madison County, Georgia to Peter Patrick Butler. He was the son of Patrick Butler and Elizabeth Rebecca Fannin. Where Elizabeth may have been born is unknown, Patrick was born March 01, 1760, in Hanover, Virginia. He later migrated to Elbert County, Georgia where he died during 1838.

Unusual family connections came into play with Marena's second marriage to Peter Patrick Butler. He was born in Elbert County, Georgia on March 03, 1789. Prior to his marriage to Marena he was married to Hannah Snellings. She may have been born in South Carolina. She was born during October 1788 and died in Elbert County, Georgia about 1850. At least four children, maybe more, were born to this union. No children were born to Peter and Marena.

The first child of Peter and Hannah was George Snelling Butler who married two times. His second wife was Mary Ann Richards, the daughter of William Richards and Marena Nichols.

Other interesting connections between these families can be seen in the bios of the children of William and Marena.

Peter Patrick Butler and Marena Nichols Butler disappeared shortly after their marriage. No information can be found of their location or place and time of their death. It could be possible that they went to Louisiana where several of Peter's children from a previous marriage were living. However, this has yet to be confirmed.

Children of WILLIAM RICHARDS and MARENA NICHOLS are:

- 39. i. MARY ANN⁸ RICHARDS, b. September 1836, Clarke County, Georgia; d. November 20, 1913, Lincoln, Wilkes County, Georgia.
- 40. ii. JOHN C RICHARDS, b. 1838, Georgia.
- 41. iii. THOMAS RICHARDS, b. 1841, Madison County, Georgia.

John W. Richards, aged near forty years, and a member of a well known family of the Emhouse community, hung himself yesterday afternoon in his barn, using a rope suspended from a rafter in the barn. He was home at dinner and left the house some time in the noon hour, and when his children came home from school, they found his dead body, which was still warm, hanging in the barn. A physician was summoned but life was already extinct.
